4. Physics & Boss Encounter Demonstrations

Image 2: Student Runner Mid-Air Jump (Left) & Department Professor Boss Encounter (Right)

5. Interactive Quiz Modal System

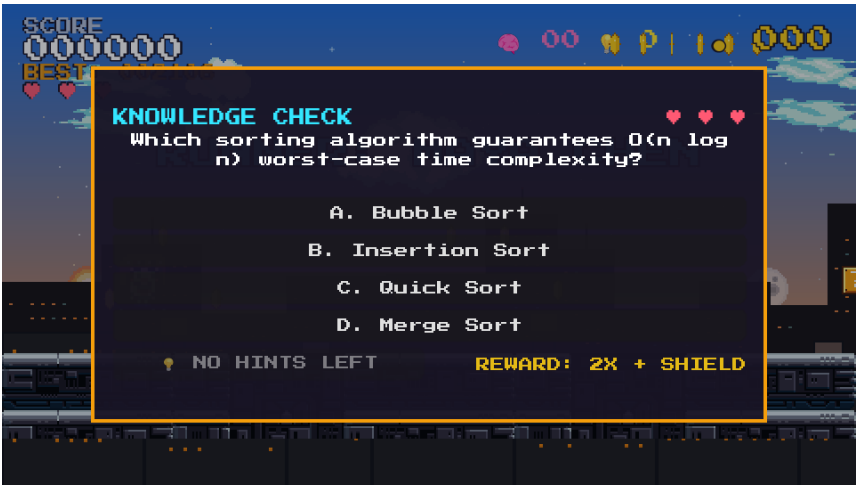

Image 3: Mario-Style Question Block Academic Quiz Interface

6. Core Mechanics Summary

- **22 Student Characters:** Full player liberty to choose from 11 Male & 11 Female Students from KW_School_Character_Set_Free.zip.
- **Lifelines & Hazard Respawn:** Starts with 3 Hearts. Sustaining damage respawns the student slightly ahead on safe track level. 0 Hearts allows instant revival using 100 collected coins.
- **Professor Boss Battles:** Departmental Professor Bosses spawn at 1100m. The boss faces the player while launching flying exam paper attacks during quiz questions.
- **Pixel Art Clouds:** Dynamic celestial day/night sky cycle integrated with cloud background layers from pixel_art_clouds.zip.
